

UFOP

STUDY MOBILITY AT UFOP

The majority of the classes are taught in Portuguese. Therefore, although we don't require a Portuguese proficiency certificate, it is highly recommended that the candidate has an intermediate level in the language.

The list of courses offered in English vary from semester to semester, so prior verification is necessary. Please contact us: international@ufop.edu.br.

More information can be found on our [Fact Sheet](#).

COURSES OFFERED IN ENGLISH IN 2025/1 (FROM MAY TO AUGUST, 2025)

Level	Department/Program	Course Title	ECTS Credits
Undergraduate Level	Department of Biodiversity, Evolution and Environment	Plant Ecology	6
Undergraduate Level	Department of Biodiversity, Evolution and Environment	Theoretical Foundations of Ecology	4,5
Undergraduate Level	Department of Chemistry	Introduction to the Basic Principles of NMR	3
Undergraduate Level	Department of Computing and Information System	Machine Learning	6
Undergraduate Level	Department of Computing and Systems	Design and Analysis of Experiment	6
Undergraduate Level	Department of Chemistry	Polymeric Materials	6
Undergraduate Level	Department of Industrial Engineering	PEntrepreneurship	6
Undergraduate Level	Department of Industrial Engineering	Supervised Internship in Industrial Engineering	6
Undergraduate Level	Department of Mathematical Education	Polysemic Interactions of Ethnoscience	6
Undergraduate Level	Department of Social Sciences	Brazilian Culture and Identity	6
Undergraduate Level	Department of Statistics	Applied Statistics for the Social Sciences and Economics	6
Graduate Level	Graduate Program in Biotechnology	Special Issues in Neurobiology and Cancer	3
Graduate Level	Graduate Program in Materials Engineering	Innovative Biomass for Utilization in the Iron and Steelmaking	4,5
Graduate Level	Graduate Program in Mathematical Education	Polysemic Interaction of Ethno Sciences Decolonizing Eurocentric Knowledge	6
Graduate Level	Graduate Program in Nutrition and Health	International Seminar in Health and Nutrition	4,5

In Brazil we don't follow the ECTS system. However, we have used the following conversion:

15 hours at UFOP = 1 UFOP Credit

1 UFOP Credit = 1,5 ECTS Credit
