Erasmus+
Enriching lives, opening minds.

1987-2022

The Erasmus+ program has been with us for 35 years!

Let's celebrate European values together and shape a better tomorrow!

What is the Erasmus + Program?

Erasmus + is an European Union program that supports educational exchange. As a part of the program, students can study abroad, take part in foreign job foreshadowing or implement international educational projects.

The Erasmus + program is a development opportunity for everyone: over the next seven years 4 million people and 125,000 institutions across Europe will benefit from its offer.

Applications for the program can be submitted by organizations, but anyone can participate in Erasmus+ projects

It has been 35 years since the Erasmus+ Program was founded.

Let's celebrate European values together and shape a better tomorrow! Take part in side events of this celebration. Join the 1st International Chess Tournament Erasmus+ Chess!

National Agencies, Beneficiaries, former and current Erasmus students are invited to take part in the tournament. Moreover everyone who cherishes fair play and wants to take part in the international challenge can also sign up! Chess tournaments are a chance to get the taste of sports competition and a platform for having fun and learning about Erasmus+.

Tournament Host

Foundation for the Development of the Education System, the National Agency of the Erasmus+ Program and the European Solidarity Corps: have been managing European programs, projects and initiatives in Poland since 1993.

We enable the expansion of basic or expert and the acquisition of new competences and skills on the path of formal, non-formal and informal learning. We help to develop interests and passions thanks to activities undertaken in other countries and in local communities.
